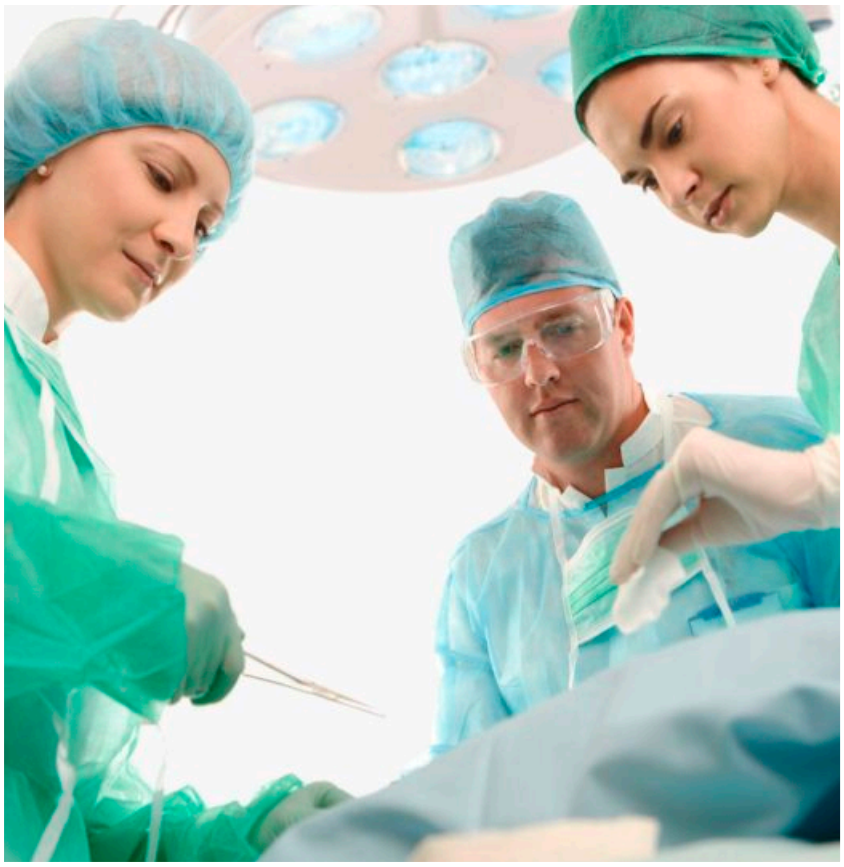
Clean Ups™ - BW

Disinfectant Wipes



Produced by
Minipac Products Ltd.
50 years of knowledge and experience, production and formulating innovative Solutions.

50 YEARS
founded in 1969

- **Clean Ups™ - BW Disinfectant Wipes** are highly effective and rapidly cleaning & disinfection wipes for use on medical devices and surfaces in one application. The wipes are saturated with a solution that after 1-minute contact time has proven efficacy against bacteria, mold viruses & fungi.
  Ideal for use in hospitals, health centers and any environment where the risk of infection needs to be reduced - both under clean and dirty conditions.

- **Ingredients:**
  Chlorhexidine, Cetramide, Benzalconium Chloride, Isopropyl Alcohol, Deionized water.
