

## Poly Trolley® - BT230

### PRODUCT OVERVIEW

Backed by our 3 year guarantee

A mobile dispensing trolley with a full size spill containment sump moulded in one piece from medium density polyethylene, ensures a light-weight operation with the added benefit of excellent chemical resistance. The unique design enables one person to easily operate the trolley even with a full 205ltr drum on board.

 100% polyethylene for chemical compatability

 UV Stabilised

You will require an appropriate size/capacity fork lift truck to offload this item from the delivery vehicle. Our standard delivery doesn't include any offloading.
